Yee-haw!

Round up your gang, pack up a picnic and mosey down to the CCC for an afternoon of "grooving", "grazing" and "good company". We'll be gathering indoors and outdoors (weather willing) for a good auld fashioned picnic in the old school yard, with music, food, fun and a lot country and western flavour.

Bring your members, family and friends, claim your picnic patch and settle in for plenty of "toe tapping" entertainment.

the lookout
